Save 25 or 50 Per Cent.

To induce a greater consumption of our OYAMA UNCOLORED JAPAN TEA which in the past we have sold at 50 cents, we will, until further notice, offer it to you at **40 cents a pound.**

This tea when carefully brewed is of unexcelled quality, and it is a fact that it cups better than many 60 cent brands which to-day are heavily advertised or peddled from house to house.

You get the benefit of the money, the other fellow makes you pay to advertise his goods. See the point? TRY IT.

Now is the time you should be getting more eggs—they're worth more money. Are you getting them? As a rule hens stop laying when prices go up but it is not their fault. They can't get the proper material. Feed them

BOOZE OR MEDICINE?

Which will you have? If a woman suffering from one of the delicate ailments peculiar to your sex it will be well for you to know that Dr. Pierce's Favorite Prescription is the only remedy advertised for such maladies which is absolutely free from intoxicating liquors and all other harmful agents. The good you feel from its use is not the delusive exhileration from a tippling beverage, from which the system reacts into a worse condition than before. It may be a little slower in manifesting its bracing and invigorating action, but its benefits are none the less positive and, best of all, they are *lasting*. It's an honest medicine—not a beverage.

"I have been taking your medicine for the last three weeks and can say I am gaining strength," writes Mrs. Seneth Kinny, of 605 East Madison Street, Mount Pleasant, Iowa. "I have been having very poor health all winter. I doctored with our family doctor but was relieved only while taking the medicine. I took Dr. Pierce's medicine several years ago. I knew it was good for any one suffering with female trouble. Have taken only one bottle and am gaining strength very fast. I could not eat nor sleep when I began taking the 'Favorite Prescription.' Heart troubled me and I had cold and numb spells till my heart would almost stop beating. Have had one child since first taking your medicine. If I continue with your treatment am positive I will be cured."

Every suffering woman in this land should write to Dr. Pierce and learn how certainly he can help her to health and strength. It costs nothing to write and receive entirely free the advice of one of the most experienced physicians in this country. His great thousand-page book the Common Sense Medical Adviser, in stiff paper covers, will be sent free for 21 one-cent stamps the bare cost of mailing; or, send 31 stamps for cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

Pierce's Pleasant Pellets These **ORIGINAL Little Liver Pills**, first put up by old Dr. R. V. Pierce over 40 years ago, have been **much imitated** but **never equaled.** They're made of purely vegetable, concentrated and refined medicinal principles, extracted from native American roots and plants. They speedily relieve and cure foul, torpid and deranged Stomachs, Livers and Bowels and their attendant distressful ailments. One or two a laxative, three or four a cathartic.

Don't allow the dealer to insult your intelligence by offering his own remedy to you instead of this well-known preparation of Dr. Pierce.

The Greatest American Two-Cylinder Touring Car Ever Sold

FOR $1550.00

This car is superior, in design and speed, to many of the best two-cylinder cars built in 1904—cars which sold for from $2600 to $3000.

20-H. P. Oldsmobile Touring Car

This is the latest Oldsmobile creation—a 20-H. P. two-cylinder touring car with side entrance. Double opposed motor 5¼ x 6, 90-inch wheel base, noise of exhaust completely eliminated. It combines comfort with speed, hill-climbing ability and plenty of surplus power.

It is roomy and comfortable. Its distributed weight and long spring action permit 5 to 10 miles per hour increased speed over rough country roads with comfort and this ease of spring saves tire expense and general wear and tear.

It is very easily controlled and is quick in action. It runs on high speed up to 40 miles an hour. This machine is very popular in San Francisco as it has the power to take heavy grades on high speed. This space is too limited to give full description; the whole story is told, however, when we say **"There is no other $1550.00 machine of its class to equal it."** Let us prove this to you.

Don't forget that our French Type Runabout at $800.00 (F. O. B. San Francisco) has no equal. Our Olds Curve Dash ($700.00) is a standard "Office on Wheels"; Our Tonneau ($.050.00) is a good slow speed family car. Altogether we have twelve types of machines. OLDSMOBILES run the year through and run for years. The wear and tear expense is $1.00 to $5.00 for other makes.

Our WINTON Four-Cylinder Touring Cars have all cars of their class "driven to the tall timber"—4 Models, 16 to 50 H. P. $1950 to $4650

ADMISSION DAY.

Fifty-five years ago to-day California was admitted into the Union. Its history during those five and fifty years has been one of rapid, almost astounding, growth. "The days of old, the days of gold, the days of forty-nine" ushered in an era of progress, of prosperity, of development, that is yet but scarcely begun. In material resources, in population, in political advancement, California has a leading position among the commonwealths of the nation. Its great metropolis, young, vigorous, progressive, is taking its place among the giant cities of the world. The village which in 1847 had a population of 459 has increased a thousand fold. The little eluster of houses which then stood for the most part a little back from the low, curving beach of Yerba Buena cove, has given way to the teeming sky-scrapers of to-day. The progress is typical of the whole State. It is not such a growth as drones could accomplish. The name California is synonomous with work, energy, and enterprise. Work, energy, enterprise, coupled with the spirit of fair play, have made California great, and they will continue to make her greater. Another half century will far outstep the decades that have already been run. And the 9th of September of each passing year will ever be a milestone to mark the progress that is being made.

A BIG MORTGAGE FILED.

The Southern Pacific Gives a Mortgage for $160,000,000.

A big mortgage was filed in the Recorder's office by the Southern Pacific Railroad Company yesterday. By its terms the Company gives as security for a loan of $160,000,000, all its property in California and other States and where ever located. The money so raised is for the development of Company's road throughout the country. The instrument, which is termed the first refunding mortgage, contains 111 closely printed pages and is in book form. It will be recorded in all the counties through which the Southern Pacific Railroad runs. The principal on the mortgage will be due in 1955. The mortgage was filed by Charles Wilder.

$2,000,000 CONTRACT LET.

Ocean Shore Electric Railway Will Be Built by an Easterner.

New Line Will Bring Halfmoon Bay within 45 Minutes' Ride of the Metropolis.

A step was taken during the week which more than any event of recent years will mark the era of progress that has dawned upon San Mateo County. The Ocean Shore Railway Company has let contracts for the building of the electric marine road from San Francisco to Santa Cruz. The contractor is C. E. Loss, a prominent engineer of New York, and the contracts will call for an expenditure of $2,000,000.

The granting of the franchise by the Board of Supervisors of San Francisco is all that is now needed to secure the speedy construction of the road. A number of condemnation suits in San Mateo County are now pending, but the fact that the company has already constructed fourteen miles of road north of Santa Cruz would indicate that no serious opposition is expected from land-owners along the proposed route.

The main line of the road will begin at Army and Illinois streets in San Francisco and will run through the San Pedro Valley country to Half Moon Bay. That city will be brought within forty-five minutes of San Francisco, and the trip from the metropolis to Santa Cruz will be made in two hours. It is expected that the work of construction will be completed within a year.

As the ride along the water's edge will be one of the scenic features of the route, the proposed railway will be instrumental in rapidly developing the coastside of San Mateo County. The spirit of progress that prevails everywhere in the Santa Clara Valley will spread westward across the mountains, and by the time the next federal census is taken, in 1910, the population of San Mateo ought to approach the 25,000 mark.

It is stated that the Olympic Club of San Francisco intends to build its country clubhouse along the shores of Half Moon Bay. The scheme will involve the building of tennis courts, golf links, baseball grounds and a handsome clubhouse. The coastside of the county is destined to become the mecca of excursionists from the metropolis.

A Builder's Contract.

A builder's contract was filed in the Recorder's office this week. By the terms of which The Rocklin Granite Company agrees to erect a mausoleum in the Home of Peace Cemetery, Colma, for the estate of Henry W. Heyman, deceased. The stipulated price is $8750.

Condemnation Suits Filed.

Geo. C. Ross, attorney for the Ocean Shore Railroad Company, filed two condemnation suits in the Superior Court Thursday, one against M. P. Dutra and the other against Frank Mell. Both defendants own land along the route of the road on the coast.

A lengthy protest signed by Mrs. Johnston and others was read.

Mrs. Johnson spoke on behalf of the protestants. The said she had resided in the county since 1857. The saloon for which a license was being sought was a notorious resort, the rendezvous for women of questionable character and disreputable men. There were already three saloons in that neighborhood and a fourth would be a decided detriment to the community. In the name of decency she asked that the petition be denied.

R. S. Thornton also spoke against the application, saying there were already too many saloons at Colma.

At this point the board adjourned until afternoon.

Afternoon Session.

The board met at 1:30 pursuant to adjournment during morning session.

The Franklin application for a liquor license was taken up and discussed. It developed that Mrs. Johnson's son was a frequenter of the saloon complained of by his mother, and this was her principal objection to granting the license.

Mr. Franklin explained to the board that he was conducting an orderly place and that the only one who complained was Mrs. Johnson.

On motion of Eikerenkotter seconded by MacBain the application for a license was granted.

The following petition, signed by A. Weeks and others of Pescadero and asking that M. J. Perry be appointed Justice of the Peace of the Fifth Township vice Carl J. Coburn, resigned, was read:

To the honorable Board of Supervisors of San Mateo county, Cal.:

We the undersigned citizens of the Fifth Township, respectfully petition your honorable body to appoint M. J. Perry Justice of the Peace of the Fifth Township to fill the vacancy caused by the resignation of Carl J. Coburn.

A. Weeks, J. Williamson, A. Bodoni, V. Mattei, F. Filippini, C. Gianola, S. S. Cook, S. A. Whiteside, J. V. Nunez, E. Leighton, John Borba, H. L. Good, H. W. Good, W. H. Moore, A. Bennett, H. Frenz, D. W. Grover, George Pimentel, John G. Pinkham, Geo. Bond, O. J. Jerome, James Braghetia, John Foletta, Frank Husey, Geo. H. Winkle, Chas. Riordan, L. H. Ward, John Marshall, D. W. Adair, Frank Demont, H. W. Smith, H. C. Stratton, John McGillan, O. N. Steele, M. C. Garcia, Jose S. Machado, M. Isadoro, Frank Lewes.

On motion of Coburn seconded by Debenedetti, Mr. Perry was unanimously elected.

A communication was read from W. A. S. Nickelson protesting against any application for a liquor license for Union Coursing Park. His client, J. C. Mikulich, has a license to do business there and no one else was entitled to a permit to sell liquor. The communication was ordered filed.

Action on the petition to abate the hog ranch nuisance at Colma was continued to the next meeting, when a day will be set to hear witnesses and take testimony.

Attorney T. C. Van Ness Jr. appeared before the board and requested that the following claims on Reclamation District No. 543 be approved: Claim No. 40, in favor of W. P. A. Brewer for $79.50; No. 41, T. C. Van Ness, for $350; No. 42, D. Bromfield, $40; No. 43, C. E. Whitney, tor $641 84.

On motion of Debenedetti seconded by Eikerenkotter the claims were approved.

Attorney Hall C. Ross asked permission to use the sprinkling cart of the Second road district to sprinkle on his father's road leading from the county road to his residence, the county to be reimbursed for the water. The request was granted.

District Attorney Bullock asked that the Clerk be requested to write to all those who had paid money for licenses to the late Tax Collector F. M. Granger and had not received them, to ascertain the amounts paid. The executrix of the estate requested this, that the money may be paid to the county.

On motion of Eikerenkotter seconded by Debenedetti the order was made.

The matter of selecting designs for furniture for the new courthouse was continued to the next meeting.

The affidavits of D. E. O'Keefe, showing that Ordinances Nos. 199 and 200 were duly published, were read and same ordered filed.

A communication from E. T. Allen, State Forester, relating to the appointment of a Fire Warden and offering to forward cloth signs warning all trespassers in the hills and mountains of the county, was read. The Clerk was instructed to secure 350 of these notices.

All applications for aid by outside indigents were deferred until next meeting.

Coburn was granted permission to secure the services of the County Surveyor to make an estimate of the cost of a small bridge over a branch of Pescadero creek, near Pescadero.

On motion of Eikerenkotter seconded by MacBain, Chairman Coleman was granted authority to sell a sprinkling cart belonging to his district for $25, and a road scraper for $25.

On motion of Eikerenkotter seconded by MacBain, Chairman Coleman was granted permission to leave the State for sixty days.

The California Timber Company, whose lumber mill is located on the Pescadero creek in the extreme southwestern end of the Third township, has applied to the Board of Supervisors for a license to sell liquor at its plant. It is understood that the employes have become dissatisfied with their isolated location and have refused to remain unless provided with a drinking establishment. As there are no vacancies in the saloon limit it is questionable if the license can be issued at this time. Over 200 men are employed at the mill.

The following communication was ordered filed for future reference:

To the Honorable, the Board of Supervisors, of the County of San Mateo, State of California — Gentlemen: A meeting of citizens was recently held in Redwood City for the purpose of reconciling the difference of opinion existing between certain of the county officers concerning the location of the offices in the new court house building.

The meeting was without results as far as securing unanimous agreement of the officials, but unanimity existing among all upon one propostion, i. e., that the quarters allotted to the Recorder were totally inadequate for the purposes of the office, and the wants and convenience of the public.

The tract of land adjoining the home of T. F. Payne, that was placed upon the market two weeks ago, is selling rapidly, more than half being already disposed of. This demonstrates the big demand for real estate in this locality.

Within the next month a tract of land near Fair Oaks will be subdivided and placed on the market. The property is beyond question the choicest yet offered for sale. It is well wooded and in a fashionable part of Fair Oaks.

Mrs. Ann Ratigan, an aunt of Mrs. Hand of this place, died in San Francisco last Wednesday. Many years ago the deceased was employed by C. N. Felton and is known to all old-timers here.

Section foreman Captain William Long has troubles of his own. Tuesday his section gang, who are strong union men, went out on strike and no work has been done on the tracks since. The crew has departed. Mr. Long intends to have the men replaced in a few days.

Miss Grace F. Thomson was united in marriage at the home of her parents in Menlo Heights to Frank E. Clohan of San Francisco Wednesday. Rev. Dr. Strong officiated. The picturesque home nestled in the foothills was a bower of beauty, and no bride could look more charming on her wedding day than did Miss Thomson. The young couple left on the afternoon train for Los Angeles, and on their return they will reside in San Francisco.

About thirty members of Menlo Parlor, N. S. G. W., left yesterday for Sacramento to take part in the big parade this afternoon. They have selected a natty dress for the occasion. It will be made up of white shoes, white trousers, white shirt-waist and white soft hat. Umbrellas of many colors will be carried in the parade. President James Fitzgerald went Thursday as an advance guard to secure headquarters. He was accompanied by his sister Bessie.

Rev. M. O'Riordan, who has been for a number of years pastor of St. Joseph's church, Berkeley, has resigned owing to ill health. For more than a year Father O'Riordan has been on the sick list and was recently operated upon at St. Joseph's hospital in San Francisco. His physicians advised him to take a long rest, and on this account he tendered his resignation to the Archbishop. Father O'Riordan was for many years pastor of the Church of the Nativity of this place.

The Church of the Nativity was the scene of a pretty wedding Wednesday morning. After a nuptial mass Father Bailey, assisted by Father Meyers, united in marriage Frank P. Dougherty and Miss Therese G. McGuire. George Dougherty acted as best man and Miss Mamie Lenehan as bridesmaid. After congratulations the bridal party drove to Portola, where the wedding breakfast was served at the Hawthorne. Mr. and Mrs. Dougherty will spend their honeymoon in Southern California and on their return may go to Portland to see the Lewis and Clark exposition. Mr. Dongherty is an exemplary young man and all congratulate him in his choice of so charming a bride. The happy young couple will make their home at Portola.

A very pretty wedding was solemnized at the beautiful Selby home at Fair Oaks last Wednesday, when handsome Carmelita Selby, eldest daughter of Mr. and Mrs. P. W. Selby, became the bride of Frank Hancock Johnson, a young millionaire of San Rafael. The ceremony took place at 2:30. Rev. Father Prendergast of San Francisco officiated. Miss Selby made a handsome bride in rich robes of creamy satin and point lace, the more endeared because it has adorned the wedding gown of other brides in the Selby family. Her veil was of tulle, her bouquet lillies of the valley. There were five attendants. Miss Jane Selby, maid of honor, wore a pretty pink gown with pink roses, and the four young bridesmaids were in frocks of white and pink, with white bouquets. These were Miss Alejandro Macondray, Miss Elena Eyre, Miss Mary Elena Macondray and Miss Inez Macondray, part of the debutante set of several years hence. Frank Glass, a cousin of the groom, performed the duties of best man. Supper was served directly after the ceremony and congratulatory wishes were heartily expressed. Mr. and Mrs. Johnson took an evening train but will return to Menlo Park before starting abroad. They will travel in Europe for two years. The bride is a noted beauty and a graduate of the Sacred Heart Academy of this place.

Menlo Parlor, No. 185, N. S. G. W, at its last meeting adopted the following resolutions in memory of its late lamented brother, Clarence Hill:

WHEREAS, It has pleased God in His infinite wisdom to call Clarence Hill, dearly beloved husband of Mrs. Hill, from earth to his heavenly home on high; and

Whereas, The community mourns one of its most energetic and respected citizens, a gentleman of honor and integrity. Therefore, be it

Resolved, That in the untimely death of Mr. Hill the community has lost a good citizen, and Menlo Parlor, No. 185, a loyal member.

Resolved, That we, the members of Menlo Parlor, No 185, N. S. G. W., extend to the heartbroken widow, Mrs. Hill, our deepest sympathy in her sad bereavement; and be it further

Resolved, That these resolutions be spread upon the minutes and a copy forwarded to Mrs. Hill, and our charter be draped for a period of thirty days.

U. S. Troops Pass Through.

The First, Ninth and Twenty-fourth batteries of the regular United States army passed through this city Tuesday morning on their way from the Presidio in San Francisco, where they have been stationed for some months past, to Camp Atascadero, in San Luis Obispo county, where they will remain for some time. The three batteries have many field guns with them and will probably engage in target practice at their new camping grounds. At least a dozen wagons accompanied the outfit, carrying the various articles necessary to army life.
